Joplin Volleyball is thrilled to announce the inaugural "Joplin Youth Volleyball Development Program" to begin the tradition of youth development in the game of volleyball. With volleyball being one of the fastest growing sports in the United States, we are excited to provide children in the Joplin community with an opportunity to learn and participate in this sport.

The 2023 Development Program will be comprised of:

- Four skills sessions, Wednesday evenings, that focus on serving, passing, attacking, and setting
- Two game sessions, Saturday Mornings, for 6 on 6 game play.
- The game schedule for the last two Saturdays will be provided on the night of the second skills session.

You DO NOT have to attend all 4 skills sessions to play on April 22 and April 29.
